

An Evolution In Style

At Prolon, we believe that dining should be an enjoyable experience, from the food that is prepared to the dinnerware on which it is served. That is why we are dedicated to creating dinnerware with a stylish flair at a reasonable cost. We feature quality dinnerware in a variety of styles and patterns to accent your unique décor. Our patterns are even interchangeable so you can achieve that perfect match!

As part of our evolution in style, we are offering several new products, colors and patterns, all designed for durability and versatility. Our experienced sales force will help you choose the dinnerware that meets your needs, tastes, and budget.

*Like dining, we believe you will find doing
business with us to be an enjoyable experience.*
